

TDA7572TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TDA7572TR                                                                                                    |
| Manufacturer/Brand: | STMicroelectronics                                                                                           |
| Product description | IC AMP PWM 200W BRIDGE 64HIQUAD                                                                              |
| Datasheets:         | <a href="#">PDF TDA7572TR.pdf</a>                                                                            |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of TDA7572TR

|                                    |                                                                               |
|------------------------------------|-------------------------------------------------------------------------------|
| PART NUMBER                        | TDA7572TR                                                                     |
| MANUFACTURER                       | STMicroelectronics                                                            |
| DESCRIPTION                        | IC AMP PWM 200W BRIDGE 64HIQUAD                                               |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                                    |
| DATA SHEET                         | <a href="#">PDF TDA7572TR.pdf</a>                                             |
| VOLTAGE - SUPPLY                   | 9 V ~ 58 V, ±4 V ~ 29 V                                                       |
| TYPE                               | Class D                                                                       |
| SUPPLIER DEVICE PACKAGE            | 64-HiQUAD                                                                     |
| SERIES                             | -                                                                             |
| PACKAGING                          | Cut Tape (CT)                                                                 |
| PACKAGE / CASE                     | 64-BQFP Exposed Pad                                                           |
| OUTPUT TYPE                        | 1-Channel (Mono)                                                              |
| OTHER NAMES                        | 497-11672-1                                                                   |
| OPERATING TEMPERATURE              | -55°C ~ 150°C (TJ)                                                            |
| MOUNTING TYPE                      | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 3 (168 Hours)                                                                 |
| MAX OUTPUT POWER X CHANNELS @ LOAD | -                                                                             |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                                    |
| FEATURES                           | Digital Inputs, I²C, I²S, Mute, Short-Circuit and Thermal Protection, Standby |
| DETAILED DESCRIPTION               | Amplifier IC 1-Channel (Mono) Class D 64-HiQUAD                               |
| BASE PART NUMBER                   | TDA7572                                                                       |
