Specifications of E2B-M30LN20-WP-C2 5M

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                      | E2B-M30LN20-WP-C2 5M                                                   |
| MANUFACTURER                     | Omron Automation & Safety                                              |
| DESCRIPTION                      | SINGLE M30 LONG PW 5M NPN NC                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                     |
| DATA SHEET                       |                                                                        |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                            |
| TERMINATION STYLE                | Cable Leads                                                            |
| SHIELDING                        | Unshielded                                                             |
| SERIES                           | E2B                                                                    |
| SENSOR TYPE                      | Inductive                                                              |
| SENSING DISTANCE                 | 0.787" (20mm)                                                          |
| RESPONSE FREQUENCY               | 100Hz                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                               |
| OUTPUT TYPE                      | NPN-NC, 3-Wire                                                         |
| OTHER NAMES                      | E2B-M30LN20-WP-C2 5M-ND<br>E2B-M30LN20-WP-C25M<br>E2BM30LN20WPC25M     |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 19 Weeks                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                     |
| INGRESS PROTECTION               | IP67                                                                   |
| INDICATOR                        | LED                                                                    |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.787" (20mm) IP67 Cylinder, Threaded - M30 |
