Specifications of N84C163WD45TG

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | N84C163WD45TG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC CPU SUPERVISOR 16K EEPR 8SOIC                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  N84C163WD45TG.pdf |
| VOLTAGE - THRESHOLD              | 4.5V                                                                                                  |
| TYPE                             | Simple Reset/Power-On Reset                                                                           |
| SERIES                           | -                                                                                                     |
| RESET TIMEOUT                    | 130 ms Minimum                                                                                        |
| RESET                            | Active High/Active Low                                                                                |
| OUTPUT                           | Open Drain or Open Collector                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                     |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 4 Weeks                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel                                                     |
