

Cypress Semiconductor

S71VS128RC0AHK4L3

Part Number:

Cypress Semiconductor

IC FLASH RAM 128M PARALLEL

 S71VS128RC0AHK4L3.pdf

 Lead free / RoHS Compliant

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| PART NUMBER                      | S71VS128RC0AHK4L3                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                     |
| DESCRIPTION                      | IC FLASH RAM 128M PARALLEL                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DATA SHEET                       |  S71VS128RC0AHK4L3.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                                                         |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 1.95 V                                                                                            |
| TECHNOLOGY                       | FLASH, PSRAM                                                                                              |
| SERIES                           | VS-R                                                                                                      |
| OPERATING TEMPERATURE            | -25°C ~ 85°C (TA)                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                             |
| MEMORY TYPE                      | Non-Volatile                                                                                              |
| MEMORY SIZE                      | 128Mbit Flash, 64Mbit RAM                                                                                 |
| MEMORY INTERFACE                 | Parallel                                                                                                  |
| MEMORY FORMAT                    | FLASH, RAM                                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 22 Weeks                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | FLASH, PSRAM Memory IC 128Mbit Flash, 64Mbit RAM Parallel 108MHz                                          |
| CLOCK FREQUENCY                  | 108MHz                                                                                                    |
