| DATA SHEET                        |  <a href="#">EL5203ISZ-T7.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 13.2 V, ±1.5 V ~ 6.6 V                                                                                         |
| VOLTAGE - INPUT OFFSET            | 2mV                                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                               |
| SLEW RATE                         | 4000 V/μs                                                                                                            |
| SERIES                            | -                                                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                                                     |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                        |
| OUTPUT TYPE                       | -                                                                                                                    |
| OTHER NAMES                       | EL5203ISZ-T7TR                                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                         |
| NUMBER OF CIRCUITS                | 2                                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                                        |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| DETAILED DESCRIPTION              | Voltage Feedback Amplifier 2 Circuit 8-SOIC                                                                          |
| CURRENT - SUPPLY                  | 5.2mA                                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 150mA                                                                                                                |
| CURRENT - INPUT BIAS              | 2μA                                                                                                                  |
| BASE PART NUMBER                  | EL5203                                                                                                               |
| AMPLIFIER TYPE                    | Voltage Feedback                                                                                                     |
| -3DB BANDWIDTH                    | 400MHz                                                                                                               |
