

Everlight Electronics

IRM-8602S-5

Part Number:IRM-8602S-5

Manufacturer/Brand:Everlight Electronics

Product description:RECEIVER MOD IR REMOTE

Datasheets: IRM-8602S-5.pdf

RoHS Status: Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of IRM-8602S-5

|                                  |                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | RECEIVER MOD IR REMOTE                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  IRM-8602S-5.pdf |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                                                         |
| SERIES                           | -                                                                                                   |
| SENSING DISTANCE                 | 8m                                                                                                  |
| PACKAGING                        | Bulk                                                                                                |
| ORIENTATION                      | Top View                                                                                            |
| OPERATING TEMPERATURE            | -25°C ~ 85°C (TA)                                                                                   |
| MOUNTING TYPE                    | Through Hole                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DETAILED DESCRIPTION             | Remote Receiver Sensor, 56.8kHz 8m Through Hole                                                     |
| CURRENT - SUPPLY                 | 3mA                                                                                                 |
| B.P.F. CENTER FREQUENCY          | 56.8kHz                                                                                             |
