| DESCRIPTION                      | IC CLK BUFFER 1:1 1MHZ 16SOIC                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| DATA SHEET                       |  <a href="#">PL130-09SI.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.25 V ~ 3.63 V                                                                                                    |
| TYPE                             | Buffer/Driver                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 8-SOP                                                                                                              |
| SERIES                           | -                                                                                                                  |
| RATIO - INPUT:OUTPUT             | 1:1                                                                                                                |
| PACKAGING                        | Tube                                                                                                               |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                                      |
| OUTPUT                           | LVDS                                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                       |
| NUMBER OF CIRCUITS               | 1                                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| INPUT                            | CMOS, LVDS, PECL, Sine Wave, TTL                                                                                   |
| FREQUENCY - MAX                  | 1MHz                                                                                                               |
| DIFFERENTIAL - INPUT:OUTPUT      | No/Yes                                                                                                             |
| DETAILED DESCRIPTION             | Clock Buffer/Driver IC 1:1 1MHz 8-SOIC (0.154", 3.90mm Width)                                                      |
