Specifications of MSC1210Y5PAGR

|                                  |                                                                   |
|----------------------------------|-------------------------------------------------------------------|
| PART NUMBER                      | MSC1210Y5PAGR                                                     |
| MANUFACTURER                     | N/A                                                               |
| DESCRIPTION                      | IC ADC W/MICROCTRLR 64-TQFP                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| DATA SHEET                       |                                                                   |
| VOLTAGE SUPPLY SOURCE            | Analog and Digital                                                |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.25 V                                                    |
| TYPE                             | ADC and DAC: MCU Based                                            |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (10x10)                                                   |
| SERIES                           | -                                                                 |
| SAMPLING RATE (PER SECOND)       | 1k                                                                |
| RESOLUTION (BITS)                | 24 b                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                  |
| PACKAGE / CASE                   | 64-TQFP                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                     |
| NUMBER OF CHANNELS               | 8                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| DETAILED DESCRIPTION             | ADC and DAC: MCU Based 24 bit 1k Serial, Parallel 64-TQFP (10x10) |
| DATA INTERFACE                   | Serial, Parallel                                                  |
| BASE PART NUMBER                 | MSC1210Y5                                                         |
