| DESCRIPTION                      | SENSOR DIGITAL -55C-125C 4WLCSP                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| DATA SHEET                       |  <a href="#">AT30TS74-UFM13-T-072.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 5.5 V                                                                                                                |
| TEST CONDITION                   | -20°C ~ 100°C (-40°C ~ 125°C)                                                                                                |
| SERIES                           | -                                                                                                                            |
| SENSOR TYPE                      | Digital, Local                                                                                                               |
| SENSING TEMPERATURE - REMOTE     | -                                                                                                                            |
| SENSING TEMPERATURE - LOCAL      | -55°C ~ 125°C                                                                                                                |
| RESOLUTION                       | 11 b                                                                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                                             |
| OUTPUT TYPE                      | I <sup>2</sup> C/SMBus                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| FEATURES                         | One-Shot, Programmable Limit, Programmable Resolution, Shutdown Mode                                                         |
| DETAILED DESCRIPTION             | Temperature Sensor Digital, Local -55°C ~ 125°C 11 b                                                                         |
| ACCURACY - HIGHEST (LOWEST)      | ±2°C (±3°C)                                                                                                                  |
