| DATA SHEET                           |  <a href="#">ACPL-W302-060E.pdf</a> |
| VOLTAGE - SUPPLY                     | 10 V ~ 30 V                                                                                                            |
| VOLTAGE - ISOLATION                  | 5000Vrms                                                                                                               |
| VOLTAGE - FORWARD (VF) (TYP)         | 1.5V                                                                                                                   |
| TECHNOLOGY                           | Optical Coupling                                                                                                       |
| SUPPLIER DEVICE PACKAGE              | 6-SO                                                                                                                   |
| SERIES                               | -                                                                                                                      |
| RISE / FALL TIME (TYP)               | 50ns, 50ns                                                                                                             |
| PULSE WIDTH DISTORTION (MAX)         | -                                                                                                                      |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | 700ns, 700ns                                                                                                           |
| PACKAGING                            | Tube                                                                                                                   |
| PACKAGE / CASE                       | 6-SOIC (0.295", 7.50mm Width)                                                                                          |
| OPERATING TEMPERATURE                | -40°C ~ 100°C                                                                                                          |
| NUMBER OF CHANNELS                   | 1                                                                                                                      |
| MOUNTING TYPE                        | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                                          |
| MANUFACTURER STANDARD LEAD TIME      | 22 Weeks                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION                 | 400mA Gate Driver Optical Coupling 5000Vrms 1 Channel 6-SO                                                             |
| CURRENT - PEAK OUTPUT                | 400mA                                                                                                                  |
| CURRENT - OUTPUT HIGH, LOW           | 200mA, 200mA                                                                                                           |
| CURRENT - DC FORWARD (IF) (MAX)      | 25mA                                                                                                                   |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | 10kV/μs                                                                                                                |
| APPROVALS                            | CSA, IEC/EN/DIN, UR                                                                                                    |
