Specifications of TPS728120150DRVT

|                                  |                                                                                  |
|----------------------------------|----------------------------------------------------------------------------------|
| PART NUMBER                      | TPS728120150DRVT                                                                 |
| MANUFACTURER                     | N/A                                                                              |
| DESCRIPTION                      | IC REG LIN 1.2V/1.5V 200MA 6SON                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DATA SHEET                       |                                                                                  |
| VOLTAGE DROPOUT (MAX)            | 0.4V @ 200mA                                                                     |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.2V, 1.5V                                                                       |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                |
| VOLTAGE - INPUT (MAX)            | 6.5V                                                                             |
| SUPPLIER DEVICE PACKAGE          | 6-SON (2x2)                                                                      |
| SERIES                           | -                                                                                |
| PROTECTION FEATURES              | Over Current, Over Temperature, Under Voltage Lockout (UVLO)                     |
| PACKAGING                        | Cut Tape (CT)                                                                    |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                               |
| PSRR                             | 65dB ~ 40dB (100Hz ~ 100kHz)                                                     |
| OUTPUT TYPE                      | Fixed                                                                            |
| OUTPUT CONFIGURATION             | Positive                                                                         |
| OTHER NAMES                      | 296-25585-1                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                    |
| NUMBER OF REGULATORS             | 1                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 1.2V, 1.5V 200mA 6-SON (2x2) |
| CURRENT - SUPPLY (MAX)           | 120μA                                                                            |
| CURRENT - QUIESCENT (IQ)         | 80μA                                                                             |
| CURRENT - OUTPUT                 | 200mA                                                                            |
| CONTROL FEATURES                 | Enable                                                                           |
