| DATA SHEET                       |  <a href="#">TEF6901AH/V3,518.pdf</a> |
| VOLTAGE - SUPPLY                 | 8 V ~ 9 V                                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 64-QFP (14x14)                                                                                                           |
| SERIES                           | -                                                                                                                        |
| SENSITIVITY                      | -                                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 64-BQFP                                                                                                                  |
| OTHER NAMES                      | 935281875518<br>TEF6901AH/V3-T<br>TEF6901AH/V3-T-ND                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                            |
| MODULATION OR PROTOCOL           | AM, FM, WB                                                                                                               |
| MEMORY SIZE                      | -                                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| FREQUENCY                        | -                                                                                                                        |
| FEATURES                         | -                                                                                                                        |
| DETAILED DESCRIPTION             | - RF Receiver AM, FM, WB PCB, Surface Mount 64-QFP (14x14)                                                               |
| DATA RATE (MAX)                  | -                                                                                                                        |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                                       |
| CURRENT - RECEIVING              | 102mA                                                                                                                    |
| APPLICATIONS                     | AM/FM Radio Receiver                                                                                                     |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                                       |
