| DESCRIPTION                      | SENSOR DIGITAL -55C-125C SOT23-6                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  MAX6626PMUT+T.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                                           |
| TEST CONDITION                   | 25°C (0°C ~ 70°C)                                                                                     |
| SUPPLIER DEVICE PACKAGE          | SOT-23-6                                                                                              |
| SERIES                           | -                                                                                                     |
| SENSOR TYPE                      | Digital, Local                                                                                        |
| SENSING TEMPERATURE - REMOTE     | -                                                                                                     |
| SENSING TEMPERATURE - LOCAL      | -55°C ~ 125°C                                                                                         |
| RESOLUTION                       | 12 b                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | SOT-23-6                                                                                              |
| OUTPUT TYPE                      | I²C                                                                                                   |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| FEATURES                         | Output Switch, Programmable Limit, Shutdown Mode                                                      |
| DETAILED DESCRIPTION             | Temperature Sensor Digital, Local -55°C ~ 125°C 12 b SOT-23-6                                         |
| ACCURACY - HIGHEST (LOWEST)      | ±1°C (±2°C)                                                                                           |
