| MANUFACTURER                         | Micrel / Microchip Technology                                                                                         |
| DESCRIPTION                          | IC DRIVER MOSF QUAD 1.2A 16-SOIC                                                                                      |
| LEAD FREE STATUS / ROHS STATUS       | Contains lead / RoHS non-compliant                                                                                    |
| DATA SHEET                           |  <a href="#">MIC4467CWM TR.pdf</a> |
| VOLTAGE - SUPPLY                     | 4.5 V ~ 18 V                                                                                                          |
| SUPPLIER DEVICE PACKAGE              | 16-SOIC                                                                                                               |
| SERIES                               | -                                                                                                                     |
| RISE / FALL TIME (TYP)               | 14ns, 13ns                                                                                                            |
| PACKAGING                            | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                       | 16-SOIC (0.295", 7.50mm Width)                                                                                        |
| OTHER NAMES                          | MIC4467CWM TR-ND<br>MIC4467CWMTR                                                                                      |
| OPERATING TEMPERATURE                | 0°C ~ 70°C (TA)                                                                                                       |
| NUMBER OF DRIVERS                    | 4                                                                                                                     |
| MOUNTING TYPE                        | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                                         |
| LOGIC VOLTAGE - VIL, VIH             | 0.8V, 2.4V                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS       | Contains lead / RoHS non-compliant                                                                                    |
| INPUT TYPE                           | Inverting                                                                                                             |
| GATE TYPE                            | N-Channel, P-Channel MOSFET                                                                                           |
| DRIVEN CONFIGURATION                 | Low-Side                                                                                                              |
| DETAILED DESCRIPTION                 | Low-Side Gate Driver IC Inverting 16-SOIC                                                                             |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 1.2A, 1.2A                                                                                                            |
| CHANNEL TYPE                         | Independent                                                                                                           |
