Specifications of SN74F260DR

|                                   |                                                                                   |
|-----------------------------------|-----------------------------------------------------------------------------------|
| PART NUMBER                       | SN74F260DR                                                                        |
| MANUFACTURER                      | N/A                                                                               |
| DESCRIPTION                       | IC GATE NOR 2CH 5-INP 14SOIC                                                      |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                        |
| DATA SHEET                        |                                                                                   |
| VOLTAGE - SUPPLY                  | 4.5 V ~ 5.5 V                                                                     |
| SUPPLIER DEVICE PACKAGE           | 14-SOIC                                                                           |
| SERIES                            | 74F                                                                               |
| PACKAGING                         | Tape & Reel (TR)                                                                  |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                    |
| OTHER NAMES                       | 296-14815-2<br>SN74F260DRE4<br>SN74F260DRE4-ND<br>SN74F260DRG4<br>SN74F260DRG4-ND |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                        |
| NUMBER OF INPUTS                  | 5                                                                                 |
| NUMBER OF CIRCUITS                | 2                                                                                 |
| MOUNTING TYPE                     | Surface Mount                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                     |
| MAX PROPAGATION DELAY @ V, MAX CL | 5.5ns @ 5V, 50pF                                                                  |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                           |
| LOGIC TYPE                        | NOR Gate                                                                          |
| LOGIC LEVEL - LOW                 | 0.8V                                                                              |
| LOGIC LEVEL - HIGH                | 2V                                                                                |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                        |
| FEATURES                          | -                                                                                 |
| DETAILED DESCRIPTION              | NOR Gate IC 2 Channel 14-SOIC                                                     |
| CURRENT - OUTPUT HIGH, LOW        | 1mA, 20mA                                                                         |
