S99PL064J0110 P

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | S99PL064J0110 P                                                                                              |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC FLASH MEM NOR 48FBGA                                                                                      |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of S99PL064J0110 P

|                                  |                                      |
|----------------------------------|--------------------------------------|
| PART NUMBER                      | S99PL064J0110 P                      |
| MANUFACTURER                     | Cypress Semiconductor                |
| DESCRIPTION                      | IC FLASH MEM NOR 48FBGA              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant           |
| DATA SHEET                       |                                      |
| WRITE CYCLE TIME - WORD, PAGE    | -                                    |
| VOLTAGE - SUPPLY                 | -                                    |
| TECHNOLOGY                       | -                                    |
| SUPPLIER DEVICE PACKAGE          | -                                    |
| SERIES                           | -                                    |
| PACKAGE / CASE                   | -                                    |
| OTHER NAMES                      | S99PL064J0110 P-ND<br>S99PL064J0110P |
| OPERATING TEMPERATURE            | -                                    |
| MOUNTING TYPE                    | -                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                        |
| MEMORY TYPE                      | -                                    |
| MEMORY SIZE                      | -                                    |
| MEMORY INTERFACE                 | -                                    |
| MEMORY FORMAT                    | -                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant           |
| DETAILED DESCRIPTION             | Memory IC                            |
