Specifications of CY74FCT16952ATPVCT

|                                  |                                                                               |
|----------------------------------|-------------------------------------------------------------------------------|
| PART NUMBER                      | CY74FCT16952ATPVCT                                                            |
| MANUFACTURER                     | N/A                                                                           |
| DESCRIPTION                      | IC TXRX NON-INVERT 5.5V 56SSOP                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| DATA SHEET                       |                                                                               |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                 |
| SUPPLIER DEVICE PACKAGE          | 56-SSOP                                                                       |
| SERIES                           | 74FCT                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                              |
| PACKAGE / CASE                   | 56-BSSOP (0.295", 7.50mm Width)                                               |
| OUTPUT TYPE                      | 3-State                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                             |
| NUMBER OF ELEMENTS               | 2                                                                             |
| NUMBER OF BITS PER ELEMENT       | 8                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| INPUT TYPE                       | -                                                                             |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 2 Element 8 Bit per Element 3-State Output 56-SSOP |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 64mA                                                                    |
| BASE PART NUMBER                 | 74FCT16952                                                                    |
