| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                              |
| TYPE                             | Transceiver                                                              |
| SUPPLIER DEVICE PACKAGE          | 20-TQFN-EP (5x5)                                                         |
| SERIES                           | -                                                                        |
| RECEIVER HYSTERESIS              | 500mV                                                                    |
| PROTOCOL                         | RS232                                                                    |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 20-WQFN Exposed Pad                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF DRIVERS/RECEIVERS      | 2/2                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DUPLEX                           | Full                                                                     |
| DETAILED DESCRIPTION             | 2/2 Transceiver Full RS232 20-TQFN-EP (5x5)                              |
| DATA RATE                        | 250kbps                                                                  |
