| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 9 V ~ 20 V, ±4.5 V ~ 10 V                                                |
| SUPPLIER DEVICE PACKAGE           | 8-TDFN (3x3)                                                             |
| SLEW RATE                         | 40 V/μs                                                                  |
| SERIES                            | -                                                                        |
| PACKAGING                         | Cut Tape (CT)                                                            |
| PACKAGE / CASE                    | 8-WDFN Exposed Pad                                                       |
| OUTPUT TYPE                       | Rail-to-Rail                                                             |
| OTHER NAMES                       | MAX9650ATA+TCT                                                           |
| NUMBER OF CIRCUITS                | 1                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| DETAILED DESCRIPTION              | Video Amp, 1 TFT-LCD Panels: VCOM Driver 8-TDFN (3x3)                    |
| CURRENT - SUPPLY                  | 3.7mA                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 1.3A                                                                     |
| APPLICATIONS                      | TFT-LCD Panels: VCOM Driver                                              |
| -3DB BANDWIDTH                    | 35MHz                                                                    |
