| DESCRIPTION                      | IC UART FIFO 16B 44PLCC                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">ST78C36ACJ44-F.pdf</a> |
| WITH MODEM CONTROL               | -                                                                                                                      |
| WITH IRDA ENCODER/DECODER        | -                                                                                                                      |
| WITH FALSE START BIT DETECTION   | -                                                                                                                      |
| WITH AUTO FLOW CONTROL           | -                                                                                                                      |
| VOLTAGE - SUPPLY                 | 5V                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 44-PLCC (16.59x16.59)                                                                                                  |
| SERIES                           | -                                                                                                                      |
| PROTOCOL                         | -                                                                                                                      |
| PACKAGING                        | Tube                                                                                                                   |
| PACKAGE / CASE                   | 44-LCC (J-Lead)                                                                                                        |
| NUMBER OF CHANNELS               | 1, UART                                                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| FEATURES                         | Internal Oscillator, Printer Port, Timer/Counter                                                                       |
| FIFO'S                           | 16 Byte                                                                                                                |
| DATA RATE (MAX)                  | -                                                                                                                      |
