| VOLTAGE - SUPPLY                 | 1.6 V ~ 3.6 V                                                              |
| SUPPLIER DEVICE PACKAGE          | 12-TQFN (4x4)                                                              |
| SERIES                           | -                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 12-WQFN Exposed Pad                                                        |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| INTERFACE                        | I <sup>2</sup> C                                                           |
| DETAILED DESCRIPTION             | PDA's, Portable Audio/Video, Smartphones Interface 12-TQFN (4x4)           |
| BASE PART NUMBER                 | MAX11041                                                                   |
| APPLICATIONS                     | PDA's, Portable Audio/Video, Smartphones                                   |
