| DESCRIPTION                      | SWITCH SLOTTED OPT W/WIRE LEADS                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                |
| DATA SHEET                       |  <a href="#">OPB992T55.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                                   |
| SERIES                           | Photologic®                                                                                                       |
| SENSING METHOD                   | Transmissive                                                                                                      |
| SENSING DISTANCE                 | 0.125" (3.18mm)                                                                                                   |
| RESPONSE TIME                    | 70ns                                                                                                              |
| PACKAGE / CASE                   | Module, Pre-Wired                                                                                                 |
| OUTPUT CONFIGURATION             | Totem Pole, Inverted                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 70°C (TA)                                                                                                 |
| MOUNTING TYPE                    | Chassis Mount                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                |
| DETAILED DESCRIPTION             | Optical Sensor Transmissive 0.125" (3.18mm) Module, Pre-Wired                                                     |
| CURRENT - SUPPLY                 | 15mA                                                                                                              |
