| DESCRIPTION                       | IC OPAMP GP 1.27MHZ RRO 8SOIC                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                        |  ADA4091-2ARZ-R7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 30 V, ±1.5 V ~ 15 V                                                                               |
| VOLTAGE - INPUT OFFSET            | 35µV                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                  |
| SLEW RATE                         | 0.46 V/µs                                                                                               |
| SERIES                            | -                                                                                                       |
| PACKAGING                         | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                           |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                            |
| OTHER NAMES                       | ADA4091-2ARZ-R7-ND<br>ADA4091-2ARZ-R7TR                                                                 |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                           |
| NUMBER OF CIRCUITS                | 2                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                           |
| MANUFACTURER STANDARD LEAD TIME   | 21 Weeks                                                                                                |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| GAIN BANDWIDTH PRODUCT            | 1.27MHz                                                                                                 |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-SOIC                                                 |
| CURRENT - SUPPLY                  | 200µA                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 20mA                                                                                                    |
| CURRENT - INPUT BIAS              | 50nA                                                                                                    |
| BASE PART NUMBER                  | ADA4091                                                                                                 |
| AMPLIFIER TYPE                    | General Purpose                                                                                         |
