SY88893VKI

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | SY88893VKI                                                                                                           |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                        |
| Product description | IC AMP POST PECL 3.3V/5V 10-MSOP                                                                                     |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of SY88893VKI

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| PART NUMBER                      | SY88893VKI                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                      |
| DESCRIPTION                      | IC AMP POST PECL 3.3V/5V 10-MSOP                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                 |
| DATA SHEET                       |                                                    |
| TYPE                             | Limiting Postamplifier                             |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                            |
| SERIES                           | -                                                  |
| PACKAGING                        | Tube                                               |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)           |
| MOUNTING TYPE                    | Surface Mount                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                 |
| DETAILED DESCRIPTION             | Limiting Postamplifier IC Optical Networks 10-MSOP |
| BASE PART NUMBER                 | SY88893                                            |
| APPLICATIONS                     | Optical Networks                                   |
