| DATA SHEET                             |  DG412CUE+T.pdf |
| VOLTAGE - SUPPLY, SINGLE (V+)          | 10 V ~ 30 V                                                                                        |
| VOLTAGE - SUPPLY, DUAL (V±)            | ±4.5 V ~ 20 V                                                                                      |
| SWITCH TIME (TON, TOFF) (MAX)          | 175ns, 145ns                                                                                       |
| SWITCH CIRCUIT                         | SPST - NO                                                                                          |
| SUPPLIER DEVICE PACKAGE                | 16-TSSOP                                                                                           |
| SERIES                                 | -                                                                                                  |
| PACKAGING                              | Tape & Reel (TR)                                                                                   |
| PACKAGE / CASE                         | 16-TSSOP (0.173", 4.40mm Width)                                                                    |
| OPERATING TEMPERATURE                  | 0°C ~ 70°C (TA)                                                                                    |
| ON-STATE RESISTANCE (MAX)              | 45 Ohm                                                                                             |
| NUMBER OF CIRCUITS                     | 4                                                                                                  |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT      | 1:1                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL)       | 1 (Unlimited)                                                                                      |
| MANUFACTURER STANDARD LEAD TIME        | 6 Weeks                                                                                            |
| LEAD FREE STATUS / ROHS STATUS         | Lead free / RoHS Compliant                                                                         |
| DETAILED DESCRIPTION                   | 4 Circuit IC Switch 1:1 45 Ohm 16-TSSOP                                                            |
| CURRENT - LEAKAGE (IS(OFF)) (MAX)      | 250pA                                                                                              |
| CROSSTALK                              | -85dB @ 1MHz                                                                                       |
| CHARGE INJECTION                       | 5pC                                                                                                |
| CHANNEL-TO-CHANNEL MATCHING (ΔRON)     | 3 Ohm (Max)                                                                                        |
| CHANNEL CAPACITANCE (CS(OFF), CD(OFF)) | 9pF, 9pF                                                                                           |
| BASE PART NUMBER                       | DG412                                                                                              |
| -3DB BANDWIDTH                         | -                                                                                                  |
