| DATA SHEET                       |  ADG3304SRU-EP-RL7.pdf |
| VOLTAGE - VCCB                   | 1.65V ~ 5.5V                                                                                              |
| VOLTAGE - VCCA                   | 1.15V ~ 5.5V                                                                                              |
| TRANSLATOR TYPE                  | Voltage Level                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                                                  |
| SERIES                           | -                                                                                                         |
| PACKAGING                        | Original-Reel®                                                                                            |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                                                           |
| OUTPUT TYPE                      | Tri-State, Non-Inverted                                                                                   |
| OUTPUT SIGNAL                    | -                                                                                                         |
| OTHER NAMES                      | ADG3304SRU-EP-RL7DKR                                                                                      |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                        |
| NUMBER OF CIRCUITS               | 1                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                        |
| INPUT SIGNAL                     | -                                                                                                         |
| FEATURES                         | Auto-Direction Sensing                                                                                    |
| DETAILED DESCRIPTION             | Voltage Level Translator Bidirectional 1 Circuit 4 Channel 50Mbps 14-TSSOP                                |
| DATA RATE                        | 50Mbps                                                                                                    |
| CHANNELS PER CIRCUIT             | 4                                                                                                         |
| CHANNEL TYPE                     | Bidirectional                                                                                             |
