BU4828G-TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BU4828G-TR                                                                                                   |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC VOLT DETECTOR 2.8V 5SSOP                                                                                  |
| Datasheets:         | <a href="#">1.BU4828G-TR.pdf</a><br><a href="#">2.BU4828G-TR.pdf</a>                                         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of BU4828G-TR

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | BU4828G-TR                                                           |
| MANUFACTURER                     | LAPIS Semiconductor                                                  |
| DESCRIPTION                      | IC VOLT DETECTOR 2.8V 5SSOP                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DATA SHEET                       | <a href="#">1.BU4828G-TR.pdf</a><br><a href="#">2.BU4828G-TR.pdf</a> |
| VOLTAGE - THRESHOLD              | 2.8V                                                                 |
| TYPE                             | Simple Reset/Power-On Reset                                          |
| SUPPLIER DEVICE PACKAGE          | 5-SSOP                                                               |
| SERIES                           | -                                                                    |
| RESET TIMEOUT                    | -                                                                    |
| RESET                            | Active High/Active Low                                               |
| PACKAGING                        | Tape & Reel (TR)                                                     |
| PACKAGE / CASE                   | SC-74A, SOT-753                                                      |
| OUTPUT                           | Open Drain or Open Collector                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                   |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 5-SSOP             |
| BASE PART NUMBER                 | BU48*                                                                |
