| MANUFACTURER                     | Omron Automation & Safety                                                                            |
| DESCRIPTION                      | SENS PROX M18 8MM PNP-NC SHIELD                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DATA SHEET                       |  E2EM-X8C2-M1.pdf |
| VOLTAGE - SUPPLY                 | 10 V ~ 40 V                                                                                          |
| TERMINATION STYLE                | Connector                                                                                            |
| SHIELDING                        | Shielded                                                                                             |
| SERIES                           | E2E                                                                                                  |
| SENSOR TYPE                      | Inductive                                                                                            |
| SENSING DISTANCE                 | 0.315" (8mm)                                                                                         |
| RESPONSE FREQUENCY               | 300Hz                                                                                                |
| PACKAGE / CASE                   | Cylinder, Threaded - M18                                                                             |
| OUTPUT TYPE                      | NPN-NC, 3-Wire                                                                                       |
| OTHER NAMES                      | E2EMX8C2M1                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INGRESS PROTECTION               | IP67                                                                                                 |
| INDICATOR                        | LED                                                                                                  |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.315" (8mm) IP67 Cylinder, Threaded - M18                                |
