LM26LVCISD-120/NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM26LVCISD-120/NOPB                                                                                          |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC TEMP SENS/SWITCH 120C 6WSON                                                                               |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of LM26LVCISD-120/NOPB

|                                  |                                                                                 |
|----------------------------------|---------------------------------------------------------------------------------|
| PART NUMBER                      | LM26LVCISD-120/NOPB                                                             |
| MANUFACTURER                     | N/A                                                                             |
| DESCRIPTION                      | IC TEMP SENS/SWITCH 120C 6WSON                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| DATA SHEET                       |                                                                                 |
| VOLTAGE - SUPPLY                 | 1.6V ~ 5.5V                                                                     |
| TRIP TEMPERATURE THRESHOLD       | Hot                                                                             |
| SWITCHING TEMPERATURE            | 120°C                                                                           |
| SUPPLIER DEVICE PACKAGE          | 6-WSON (2.2x2.5)                                                                |
| SERIES                           | -                                                                               |
| SELECTABLE HYSTERESIS            | No                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                              |
| OUTPUT TYPE                      | Open Drain, Push-Pull                                                           |
| OUTPUT FUNCTION                  | OverTemp, /OverTemp, VTemp                                                      |
| OUTPUT                           | Active High, Active Low                                                         |
| OTHER NAMES                      | LM26LVCISD-120/NOPBTR<br>LM26LVCISD-120TR<br>LM26LVCISD-120TR-ND                |
| OPERATING TEMPERATURE            | -50°C ~ 150°C                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| FEATURES                         | Trip Test                                                                       |
| DETAILED DESCRIPTION             | Thermostat 120°C Active High, Active Low Open Drain, Push-Pull 6-WSON (2.2x2.5) |
| CURRENT - SUPPLY                 | 8µA                                                                             |
| CURRENT - OUTPUT (MAX)           | 7mA                                                                             |
| ACCURACY                         | ±2.2°C                                                                          |
