

ADI (Analog Devices, Inc.)

HMC709LC5

Part Number:

Manufacturer/Brand:

Product description:

Datasheets:

RoHs Status:

Ship From:

Shipment Way:

HMC709LC5

ADI (Analog Devices, Inc.)

IC UPCONVERTER IQ 32SMD

 HMC709LC5.pdf

 Lead free / RoHS Compliant

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of HMC709LC5

|                                  |                                                                                                   |
|----------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                      | HMC709LC5                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                        |
| DESCRIPTION                      | IC UPCONVERTER IQ 32SMD                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DATA SHEET                       |  HMC709LC5.pdf |
| SUPPLIER DEVICE PACKAGE          | 32-SMT (5x5)                                                                                      |
| SERIES                           | -                                                                                                 |
| SECONDARY ATTRIBUTES             | -                                                                                                 |
| RF TYPE                          | Radar                                                                                             |
| PACKAGING                        | Strip                                                                                             |
| PACKAGE / CASE                   | 32-TFQFN Exposed Pad                                                                              |
| OTHER NAMES                      | 1127-1704                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| FUNCTION                         | Upconverter                                                                                       |
| FREQUENCY                        | 11GHz ~ 17GHZ                                                                                     |
| DETAILED DESCRIPTION             | RF IC Upconverter Radar 11GHz ~ 17GHZ 32-SMT (5x5)                                                |
| BASE PART NUMBER                 | HMC709                                                                                            |
