

Carlo Gavazzi

IA30ELF10UCM1

|                     |                        |
|---------------------|------------------------|
| Part Number:        | IA30ELF10UCM1          |
| Manufacturer/Brand: | Carlo Gavazzi          |
| Product description | SEN PROX M30 NAMUR PLG |
| Datasheets:         |                        |
| Ship From           | Hong Kong              |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS  |

REQUEST FOR QUOTATION

Specifications of IA30ELF10UCM1

|                                  |                                                                           |
|----------------------------------|---------------------------------------------------------------------------|
| PART NUMBER                      | IA30ELF10UCM1                                                             |
| MANUFACTURER                     | Carlo Gavazzi                                                             |
| DESCRIPTION                      | SEN PROX M30 NAMUR PLG                                                    |
| LEAD FREE STATUS / ROHS STATUS   |                                                                           |
| DATA SHEET                       |                                                                           |
| VOLTAGE - SUPPLY                 | 6 V ~ 35 V                                                                |
| TERMINATION STYLE                | Connector                                                                 |
| SHIELDING                        | Unshielded                                                                |
| SERIES                           | IA                                                                        |
| SENSOR TYPE                      | Inductive                                                                 |
| RESPONSE FREQUENCY               | 300Hz                                                                     |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                                  |
| OUTPUT TYPE                      | -                                                                         |
| OPERATING TEMPERATURE            | -25°C ~ 70°C (TA)                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                            |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                       |
| INGRESS PROTECTION               | IP67, NEMA 1,3,4,6,13                                                     |
| INDICATOR                        | LED                                                                       |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor IP67, NEMA 1,3,4,6,13 Cylinder, Threaded - M30 |
