

PI5USB1457AZAEX

Part Number:PI5USB1457AZAEX

Manufacturer/Brand:Diodes Incorporated

Product description:IC USB SWITCH NAP TDFN

Datasheets:PI5USB1457AZAEX.pdf

RoHs Status:Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

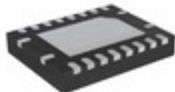

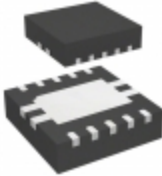

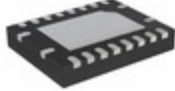

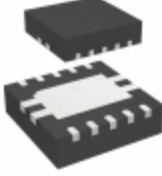

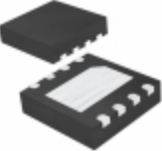

Specifications of PI5USB1457AZAEX

|                                  |                                                                                                         |

| DESCRIPTION                      | IC USB SWITCH NAP TDFN                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  PI5USB1457AZAEX.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | -                                                                                                       |
| VOLTAGE - LOAD                   | 4.5 V ~ 5.5 V                                                                                           |
| SWITCH TYPE                      | USB Switch                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 8-TDFN (2x2)                                                                                            |
| SERIES                           | -                                                                                                       |
| RDS ON (TYP)                     | 3 Ohm                                                                                                   |
| RATIO - INPUT:OUTPUT             | -                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 8-WDFDN Exposed Pad                                                                                     |
| OUTPUT TYPE                      | -                                                                                                       |
| OUTPUT CONFIGURATION             | -                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                       |
| NUMBER OF OUTPUTS                | -                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INTERFACE                        | -                                                                                                       |
| INPUT TYPE                       | -                                                                                                       |
| FEATURES                         | -                                                                                                       |
| FAULT PROTECTION                 | -                                                                                                       |
| CURRENT - OUTPUT (MAX)           | -                                                                                                       |
