|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | SN74AS161D                                                      |
| MANUFACTURER                     | N/A                                                             |
| DESCRIPTION                      | IC COUNTER BIN SYNC 4BIT 16-SOIC                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                     |
| TRIGGER TYPE                     | Positive Edge                                                   |
| TIMING                           | Synchronous                                                     |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                         |
| SERIES                           | 74AS                                                            |
| RESET                            | Asynchronous                                                    |
| PACKAGING                        | Tube                                                            |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                  |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                      |
| NUMBER OF ELEMENTS               | 1                                                               |
| NUMBER OF BITS PER ELEMENT       | 4                                                               |
| MOUNTING TYPE                    | Surface Mount                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| LOGIC TYPE                       | Binary Counter                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DIRECTION                        | Up                                                              |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 4 Bit Positive Edge 16-SOIC |
| COUNT RATE                       | 40MHz                                                           |
| BASE PART NUMBER                 | 74AS161                                                         |
