|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | S29VS128RABBHI010                                                                                            |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC FLASH 128M PARALLEL 44FBGA                                                                                |
| Datasheets:         | <a href="#">PDF S29VS128RABBHI010.pdf</a>                                                                    |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

| MANUFACTURER                     | Cypress Semiconductor                                                      |
| DESCRIPTION                      | IC FLASH 128M PARALLEL 44FBGA                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DATA SHEET                       | <a href="#">PDF S29VS128RABBHI010.pdf</a>                                  |
| WRITE CYCLE TIME - WORD, PAGE    | 60ns                                                                       |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 1.95 V                                                             |
| TECHNOLOGY                       | FLASH - NOR                                                                |
| SUPPLIER DEVICE PACKAGE          | 44-FBGA (7.5x5)                                                            |
| SERIES                           | VS-R                                                                       |
| PACKAGING                        | Tray                                                                       |
| PACKAGE / CASE                   | 44-VFBGA                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                          |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| MEMORY TYPE                      | Non-Volatile                                                               |
| MEMORY SIZE                      | 128Mb (8M x 16)                                                            |
| MEMORY INTERFACE                 | Parallel                                                                   |
| MEMORY FORMAT                    | FLASH                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 22 Weeks                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 128Mb (8M x 16) Parallel 108MHz 80ns 44-FBGA (7.5x5) |
| CLOCK FREQUENCY                  | 108MHz                                                                     |
| ACCESS TIME                      | 80ns                                                                       |
