

MTCDP-EV3-GP-N16-1.0

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | MTCDP-EV3-GP-N16-1.0            |
| Manufacturer/Brand: | Multi-Tech Systems, Inc.        |
| Product description | GATEWAY EV-DO PROGR W/GPS AERIS |
| Datasheets:         | MTCDP-EV3-GP-N16-1.0.pdf        |
| RoHs Status         | Lead free / RoHS Compliant      |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

Specifications of MTCDP-EV3-GP-N16-1.0

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | MTCDP-EV3-GP-N16-1.0                                                 |
| MANUFACTURER                     | Multi-Tech Systems, Inc.                                             |
| DESCRIPTION                      | GATEWAY EV-DO PROGR W/GPS AERIS                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DATA SHEET                       | MTCDP-EV3-GP-N16-1.0.pdf                                             |
| VOLTAGE - SUPPLY                 | 9 V ~ 32 V                                                           |
| SERIES                           | MultiConnect® OCG-D                                                  |
| SENSITIVITY                      | -161dBm                                                              |
| POWER - OUTPUT                   | -                                                                    |
| OTHER NAMES                      | 881-1234<br>94557121LF                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MODULATION OR PROTOCOL           | EV-DO, CDMA                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| INTERFACE                        | I²C, SPI                                                             |
| FUNCTION                         | Transceiver                                                          |
| FREQUENCY                        | 800MHz, 1.575GHz, 1.9GHz                                             |
| FEATURES                         | -                                                                    |
| DETAILED DESCRIPTION             | RF Transceiver 800MHz, 1.575GHz, 1.9GHz EV-DO, CDMA I²C, SPI 3.1Mbps |
| DATA RATE (MAX)                  | 3.1Mbps                                                              |
| APPLICATIONS                     | -                                                                    |
