

MAX2010ETI

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | MAX2010ETI                 |
| Manufacturer/Brand: | Maxim Integrated           |
| Product description | IC RF PREDISTORTER ADJ QFN |
| Datasheets:         |                            |
| RoHs Status         | Lead free / RoHS Compliant |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

REQUEST FOR QUOTATION

Specifications of MAX2010ETI

|                                  |                                                                                                    |

| DESCRIPTION                      | IC RF PREDISTORTER ADJ QFN                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 28-TQFN (5x5)                                                                                      |
| SERIES                           | -                                                                                                  |
| SECONDARY ATTRIBUTES             | Up to 12dB ACPR Improvement                                                                        |
| RF TYPE                          | CDMA2000, GSM/EDGE                                                                                 |
| PACKAGING                        | Tube                                                                                               |
| PACKAGE / CASE                   | 28-WFQFN Exposed Pad                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| FUNCTION                         | RF Predistorter                                                                                    |
| FREQUENCY                        | 500MHz ~ 1.1GHz                                                                                    |
| DETAILED DESCRIPTION             | RF IC RF Predistorter CDMA2000, GSM/EDGE 500MHz ~ 1.1GHz Up to 12dB ACPR Improvement 28-TQFN (5x5) |
