

MT53B512M32D2NP-062 WT:D

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT53B512M32D2NP-062 WT:D                                                                                     |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC DRAM 16G 1600MHZ                                                                                          |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MT53B512M32D2NP-062 WT:D

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | MT53B512M32D2NP-062 WT:D                                 |
| MANUFACTURER                     | Micron Technology                                        |
| DESCRIPTION                      | IC DRAM 16G 1600MHZ                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DATA SHEET                       |                                                          |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                        |
| VOLTAGE - SUPPLY                 | 1.1V                                                     |
| TECHNOLOGY                       | SDRAM - Mobile LPDDR4                                    |
| SERIES                           | -                                                        |
| OTHER NAMES                      | MT53B512M32D2NP-062 WT:D-ND<br>MT53B512M32D2NP-062WT:D   |
| OPERATING TEMPERATURE            | -30°C ~ 85°C (TC)                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                            |
| MEMORY TYPE                      | Volatile                                                 |
| MEMORY SIZE                      | 16Gb (512M x 32)                                         |
| MEMORY INTERFACE                 | -                                                        |
| MEMORY FORMAT                    | DRAM                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DETAILED DESCRIPTION             | SDRAM - Mobile LPDDR4 Memory IC 16Gb (512M x 32) 1600MHz |
| CLOCK FREQUENCY                  | 1600MHz                                                  |
