

DP8392CV-1

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | DP8392CV-1                                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC TXRX COAX INTERFACE 28QFP                                                                                         |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

Specifications of DP8392CV-1

|                                  |                                              |
|----------------------------------|----------------------------------------------|
| PART NUMBER                      | DP8392CV-1                                   |
| MANUFACTURER                     | N/A                                          |
| DESCRIPTION                      | IC TXRX COAX INTERFACE 28QFP                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant           |
| DATA SHEET                       |                                              |
| VOLTAGE - SUPPLY                 | -9V                                          |
| TYPE                             | Transceiver                                  |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.51x11.51)                        |
| SERIES                           | -                                            |
| PROTOCOL                         | IEEE 802.3                                   |
| PACKAGING                        | Tube                                         |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                              |
| OTHER NAMES                      | *DP8392CV-1                                  |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                   |
| NUMBER OF DRIVERS/RECEIVERS      | -                                            |
| MOUNTING TYPE                    | Surface Mount                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant           |
| DUPLEX                           | -                                            |
| DETAILED DESCRIPTION             | Transceiver IEEE 802.3 28-PLCC (11.51x11.51) |
| DATA RATE                        | -                                            |
| BASE PART NUMBER                 | DP8392                                       |
