| DESCRIPTION                      | IC POE LTPOE INTERFACE 28QFN                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                |
| DATA SHEET                       |  <a href="#">LT4276AHUFD#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | 60V (Max)                                                                                                                 |
| TYPE                             | Controller (PD), DC/DC                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 28-QFN (4x5)                                                                                                              |
| STANDARDS                        | 802.3at (PoE+), 802.3af (PoE), LTPoE++                                                                                    |
| SERIES                           | -                                                                                                                         |
| POWER - MAX                      | 90W                                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                          |
| PACKAGE / CASE                   | 28-WFQFN Exposed Pad                                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                             |
| NUMBER OF CHANNELS               | 1                                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                             |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                |
| INTERNAL SWITCH(S)               | No                                                                                                                        |
| DETAILED DESCRIPTION             | Power Over Ethernet Controller 1 Channel 802.3at (PoE+), 802.3af (PoE), LTPoE++ 28-QFN (4x5)                              |
| CURRENT - SUPPLY                 | 2mA (Max)                                                                                                                 |
| BASE PART NUMBER                 | LT4276                                                                                                                    |
| AUXILIARY SENSE                  | Yes                                                                                                                       |
