Specifications of 74AC11245NSRG4

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| PART NUMBER                      | 74AC11245NSRG4                                                              |
| MANUFACTURER                     | N/A                                                                         |
| DESCRIPTION                      | IC TRANSCVR NON-INVERT 5.5V 24SO                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| DATA SHEET                       |                                                                             |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                 |
| SUPPLIER DEVICE PACKAGE          | 24-SO                                                                       |
| SERIES                           | 74AC                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                            |
| PACKAGE / CASE                   | 24-SOIC (0.209", 5.30mm Width)                                              |
| OUTPUT TYPE                      | 3-State                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                           |
| NUMBER OF ELEMENTS               | 1                                                                           |
| NUMBER OF BITS PER ELEMENT       | 8                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                               |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| INPUT TYPE                       | -                                                                           |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 8 Bit per Element 3-State Output 24-SO |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                  |
| BASE PART NUMBER                 | 74AC11245                                                                   |
