|                                  |                                                                            |
|----------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                      | AMC7812SRGCR                                                               |
| MANUFACTURER                     | N/A                                                                        |
| DESCRIPTION                      | IC MONITOR/CONTROL ANALOG 64VQFN                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DATA SHEET                       |                                                                            |
| VOLTAGE SUPPLY SOURCE            | Analog and Digital                                                         |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                              |
| TYPE                             | Analog Monitor/Control Circuit                                             |
| SUPPLIER DEVICE PACKAGE          | 64-VQFN (9x9)                                                              |
| SERIES                           | -                                                                          |
| SAMPLING RATE (PER SECOND)       | 500k                                                                       |
| RESOLUTION (BITS)                | 12 b                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 64-VFQFN Exposed Pad                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                              |
| NUMBER OF CHANNELS               | 16                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DETAILED DESCRIPTION             | Analog Monitor/Control Circuit 12 bit 500k I²C, Serial, SPI™ 64-VQFN (9x9) |
| DATA INTERFACE                   | I²C, Serial, SPI™                                                          |
| BASE PART NUMBER                 | AMC7812                                                                    |
