74AHCT138BQ-Q100X

Part Number:

74AHCT138BQ-Q100X

Manufacturer/Brand:

Nexperia

Product description

IC DECODER/DEMUX 3-8 16-DHVQFN

Datasheets:

 74AHCT138BQ-Q100X.pdf

RoHs Status

 Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 74AHCT138BQ-Q100X

|                                  |                                                                                                           |

| PART NUMBER                      | 74AHCT138BQ-Q100X                                                                                         |
| MANUFACTURER                     | Nexperia                                                                                                  |
| DESCRIPTION                      | IC DECODER/DEMUX 3-8 16-DHVQFN                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DATA SHEET                       |  74AHCT138BQ-Q100X.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                             |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                             |
| TYPE                             | Decoder/Demultiplexer                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 16-DHVQFN (2.5x3.5)                                                                                       |
| SERIES                           | 74AHCT                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 16-VFQFN Exposed Pad                                                                                      |
| OTHER NAMES                      | 935300198115                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| MANUFACTURER STANDARD LEAD TIME  | 13 Weeks                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| INDEPENDENT CIRCUITS             | 1                                                                                                         |
| DETAILED DESCRIPTION             | Decoder/Demultiplexer 1 x 3:8 16-DHVQFN (2.5x3.5)                                                         |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                                                  |
| CIRCUIT                          | 1 x 3:8                                                                                                   |
| BASE PART NUMBER                 | 74AHCT138                                                                                                 |
