| DESCRIPTION                      | IC RTC CLK/CALENDAR PAR 28-PLCC                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY, BATTERY        | 2.2 V ~ 5.1 V                                                                      |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                      |
| TYPE                             | Timer Clock Peripheral (TCP)                                                       |
| TIME FORMAT                      | HH:MM:SS:hh (12/24 hr)                                                             |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.51x11.51)                                                              |
| SERIES                           | -                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                                                                    |
| OTHER NAMES                      | *DP8570AVX/NOPB                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2A (4 Weeks)                                                                       |
| MEMORY SIZE                      | 44B                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 16 Weeks                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INTERFACE                        | Parallel                                                                           |
| FEATURES                         | Alarm, Leap Year                                                                   |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Timer Clock Peripheral (TCP) 44B Parallel 28-LCC (J-Lead) |
| DATE FORMAT                      | YY-MM-DD-dd                                                                        |
| CURRENT - TIMEKEEPING (MAX)      | 1µA @ 5V                                                                           |
