

SN74HC4060DBRG4

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | SN74HC4060DBRG4                |
| Manufacturer/Brand: | N/A                            |
| Product description | IC COUNTER BINARY 14BIT 16SSOP |
| Datasheets:         |                                |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

Specifications of SN74HC4060DBRG4

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | SN74HC4060DBRG4                                                  |
| MANUFACTURER                     | N/A                                                              |
| DESCRIPTION                      | IC COUNTER BINARY 14BIT 16SSOP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       |                                                                  |
| VOLTAGE - SUPPLY                 | 2V ~ 6V                                                          |
| TRIGGER TYPE                     | Negative Edge                                                    |
| TIMING                           | Asynchronous                                                     |
| SUPPLIER DEVICE PACKAGE          | 16-SSOP                                                          |
| SERIES                           | 74HC                                                             |
| RESET                            | Asynchronous                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                 |
| PACKAGE / CASE                   | 16-SSOP (0.209", 5.30mm Width)                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                     |
| NUMBER OF ELEMENTS               | 1                                                                |
| NUMBER OF BITS PER ELEMENT       | 14                                                               |
| MOUNTING TYPE                    | Surface Mount                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                          |
| LOGIC TYPE                       | Binary Counter                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DIRECTION                        | Up                                                               |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 14 Bit Negative Edge 16-SSOP |
| COUNT RATE                       | 33MHz                                                            |
| BASE PART NUMBER                 | 74HC4060                                                         |
