| VOLTAGE DROPOUT (MAX)            | 0.5V @ 300mA                                                                                    |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.3V (5V)                                                                                       |
| VOLTAGE - OUTPUT (MAX)           | 16V                                                                                             |
| VOLTAGE - INPUT (MAX)            | 16.5V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                          |
| SERIES                           | -                                                                                               |
| PROTECTION FEATURES              | -                                                                                               |
| PACKAGING                        | Tube                                                                                            |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                   |
| PSRR                             | -                                                                                               |
| OUTPUT TYPE                      | Adjustable (Fixed)                                                                              |
| OUTPUT CONFIGURATION             | Positive                                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                    |
| NUMBER OF REGULATORS             | 1                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 7 Weeks                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 5V, 1.3 V ~ 16 V 300mA 8-SOIC |
| CURRENT - SUPPLY (MAX)           | 14mA                                                                                            |
| CURRENT - QUIESCENT (IQ)         | 25µA                                                                                            |
| CURRENT - OUTPUT                 | 300mA                                                                                           |
| CONTROL FEATURES                 | Enable                                                                                          |
| BASE PART NUMBER                 | ADP3367                                                                                         |
