Specifications of AT28HC64B-90TC

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AT28HC64B-90TC                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                          |
| DESCRIPTION                      | IC EEPROM 64K PARALLEL 28TSOP                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| DATA SHEET                       |  AT28HC64B-90TC.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                                                                   |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                          |
| TECHNOLOGY                       | EEPROM                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 28-TSOP                                                                                                |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tray                                                                                                   |
| PACKAGE / CASE                   | 28-TSSOP (0.465", 11.80mm Width)                                                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TC)                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MEMORY TYPE                      | Non-Volatile                                                                                           |
| MEMORY SIZE                      | 64Kb (8K x 8)                                                                                          |
| MEMORY INTERFACE                 | Parallel                                                                                               |
| MEMORY FORMAT                    | EEPROM                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| DETAILED DESCRIPTION             | EEPROM Memory IC 64Kb (8K x 8) Parallel 90ns 28-TSOP                                                   |
| BASE PART NUMBER                 | AT28HC64                                                                                               |
| ACCESS TIME                      | 90ns                                                                                                   |
