M25P16-VMN3PB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | M25P16-VMN3PB                                                                                                |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 16M SPI 75MHZ 8SO                                                                                   |
| Datasheets:         |  M25P16-VMN3PB.pdf          |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

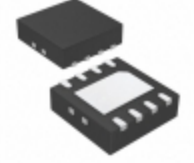

Specifications of M25P16-VMN3PB

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | M25P16-VMN3PB                                                                                         |
| MANUFACTURER                     | Micron Technology                                                                                     |
| DESCRIPTION                      | IC FLASH 16M SPI 75MHZ 8SO                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  M25P16-VMN3PB.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 15ms, 5ms                                                                                             |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                         |
| TECHNOLOGY                       | FLASH - NOR                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SO                                                                                                  |
| SERIES                           | -                                                                                                     |
| PACKAGING                        | Tube                                                                                                  |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| MEMORY TYPE                      | Non-Volatile                                                                                          |
| MEMORY SIZE                      | 16Mb (2M x 8)                                                                                         |
| MEMORY INTERFACE                 | SPI                                                                                                   |
| MEMORY FORMAT                    | FLASH                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 16Mb (2M x 8) SPI 75MHz 8-SO                                                    |
| CLOCK FREQUENCY                  | 75MHz                                                                                                 |
| BASE PART NUMBER                 | M25P16                                                                                                |
