### Specifications of MC74AC373DW

|                                  |                                                                                                                     |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74AC373DW                                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                                |
| DESCRIPTION                      | IC LATCH OCT TRANSP 3ST 20-SOIC                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                  |
| DATA SHEET                       |  <a href="#">MC74AC373DW.pdf</a> |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                                             |
| SERIES                           | 74AC                                                                                                                |
| PACKAGING                        | Tube                                                                                                                |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                                      |
| OUTPUT TYPE                      | Tri-State                                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                       |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                  |
| INDEPENDENT CIRCUITS             | 1                                                                                                                   |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-SOIC                                                         |
| DELAY TIME - PROPAGATION         | 7ns                                                                                                                 |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                                          |
| CIRCUIT                          | 8:8                                                                                                                 |
| BASE PART NUMBER                 | 74AC373                                                                                                             |
