LTC2960HTS8-1

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LTC2960HTS8-1                                                                                                        |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                           |
| Product description | IC VOLTAGE MONITOR                                                                                                   |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of LTC2960HTS8-1

|                                |                                                             |
|--------------------------------|-------------------------------------------------------------|
| PART NUMBER                    | LTC2960HTS8-1                                               |
| MANUFACTURER                   | ADI (Analog Devices, Inc.)                                  |
| DESCRIPTION                    | IC VOLTAGE MONITOR                                          |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                          |
| DATA SHEET                     |                                                             |
| VOLTAGE - THRESHOLD            | Adjustable/Selectable                                       |
| TYPE                           | Multi-Voltage Supervisor                                    |
| SUPPLIER DEVICE PACKAGE        | TSOT-23-8                                                   |
| SERIES                         | -                                                           |
| RESET TIMEOUT                  | Adjustable/Selectable                                       |
| RESET                          | Active Low                                                  |
| PACKAGING                      | Tube                                                        |
| PACKAGE / CASE                 | SOT-23-8 Thin, TSOT-23-8                                    |
| OUTPUT                         | Open Drain or Open Collector                                |
| OPERATING TEMPERATURE          | -40°C ~ 125°C (TA)                                          |
| NUMBER OF VOLTAGES MONITORED   | 2                                                           |
| MOUNTING TYPE                  | Surface Mount                                               |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                          |
| DETAILED DESCRIPTION           | Supervisor Open Drain or Open Collector 2 Channel TSOT-23-8 |
