|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | UCC3917DTR                                                               |
| MANUFACTURER                     | N/A                                                                      |
| DESCRIPTION                      | IC + FLOATING PWR MGR 16-SOIC                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DATA SHEET                       |                                                                          |
| VOLTAGE - SUPPLY                 | 15 V ~ 1000 V                                                            |
| TYPE                             | Hot Swap Controller                                                      |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                  |
| SERIES                           | -                                                                        |
| PROGRAMMABLE FEATURES            | Auto Retry, Circuit Breaker, Current Limit, Fault Timeout, Latched Fault |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                           |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                               |
| NUMBER OF CHANNELS               | 1                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERNAL SWITCH(S)               | No                                                                       |
| FEATURES                         | UVLO                                                                     |
| FEATURE PINS                     | CT, FLTOUT, /LATCH, MAXI, PLIM, /SHTDWN, (VREF,/CATFLT)                  |
| DETAILED DESCRIPTION             | Hot Swap Controller 1 Channel General Purpose 16-SOIC                    |
| CURRENT - SUPPLY                 | 5mA                                                                      |
| CURRENT - OUTPUT (MAX)           | -                                                                        |
| BASE PART NUMBER                 | UCC3917                                                                  |
| APPLICATIONS                     | General Purpose                                                          |
